Email:

Section III. Questions

Please answer the following questions according to the specifications stated in each.

1. Using the check boxes below, please select the primary sector-specific issues that your organization seeks to address. Please select all that apply.

- Primary Health Care
- Primary Education
- Clean Water and Sanitation
- Agriculture
- Education
- Economic Growth and/or Employment Generation for Poorer Communities
- Governance
- Other (please specify)

2. Using the check boxes below, please select any secondary issues that your organization seeks to address. Please select all that apply.

- Primary Health Care
- Primary Education
- Clean Water and Sanitation
- Agriculture
- Education
- Economic Growth and/or Employment Generation for Poorer Communities
- Governance
- Other (please specify)

3. In 300 words or less, state your organization's general mission and purpose including a description of the advocacy-based approaches used to implement goals.

Helpful hint: One paragraph typically includes 100 words. In Microsoft Word, the word count feature can be found under the 'Review' icon.

4. In 300 words or less, describe the target constituency and/or community that your organization serves. Please include the demographics for this group (i.e. women, out of school youth, etc).

5. In 300 words or less, state the problem and/or issue that your organization seeks to address.

6. In 300 words or less, describe how your organization raises public awareness about this issue and/or problem.

7. In 300 words or less, please include a description of an innovative and unique approach that your organization has taken to deliver a service or program to your targeted community or to promote advocacy around an issue.

8. In 300 words or less, provide three concrete examples (results) that demonstrate how your organization has had an impact on the targeted community that you serve within the past year.

9. In 300 words or less, describe any accountability mechanisms used in the delivery of your organization's project activities or services (i.e. community leadership consultations and involvement in programs to demonstrate the interventions are relevant to the majority of the poor in the target community and empowers them in a sustainable way) along with any mechanisms to determine the transparency of your operations.

10. In 300 words or less, provide three examples of how your organization has partnered with other civil society organizations, the private sector, educational institutions, and/or government agencies. Please include examples of the type of program activities requiring partner coordination and support.

11. Can the work of your organization be easily replicated by other civil society organizations facing similar issues/problems in their locale? If so, how? Please describe in up to 300 words or less.

12. In 300 words or less, describe how the 2013 ONE Africa Award will help advance the mission of your organization, support existing project activities and services, and/or support new projects.

13. In 300 words or less, describe any specific projects, initiatives and plans your organization has undertaken to **accelerate** the attainment of the MDGs in your country in these last 1000 days. This question is optional and can result in up to 5 bonus points in the scoring of your application.

Section IV. Supplemental Information

Please attach the following documents to your application:

1. Your organization's certificate of registration.
2. Two letters of recommendations placed on letterhead and signed by the endorsers. One of the endorsers must sign the application form. Letters of recommendation should derive from a reputable national or international organization.
3. Your 2013 annual budget with a reasonable breakdown of expenses and revenue.
4. Your most recent Annual Report, if available.
5. Copies of media reports or articles highlighting the work of your organization, if available.

Please sign and print your name below.
