BEING A YOUNG LEADER

Topics*

Please select the EDD 2017 Topic on which you would like to speak. In case the number of applications is high for certain topics we encourage applicants to apply to speak for two alternative topics. Please indicate your selected topics in order of preference:

- ✦ Topic 1 – drop down menu
- ✦ Topic 2
- ✦ Topic 3

(This question will need a link to 'explore the topics' which links to the topics page on the website, opening in a new window.)

Please briefly outline what specifically about this topic interests you and what aspect of this topic would you like to address at EDD 2017?

(max. 800 characters including spaces).

Language of presentation*

Select your preferred language of presentation.

- ✦ English

Please note that Young Leaders are expected to have a minimum level of intermediate English (Level B2 in the “Common European Framework of References for Languages”). Young Leaders might be asked to prove their level of English in a Skype conversation with the EDD Youth Team.

Sessions: The 16 selected Young Leaders will have a place to speak at the highest-level debates at EDD 2017, alongside VIPs and key decision makers. Though this experience is rewarding, as it gives youth participants a voice on the same level as high-level speakers, allocated time of speech on the panel can be limited. Thus, we encourage Young Leaders who come to EDD 2017 to participate in other sessions, including debate sessions or brainstormings, where they will be given more space to express their opinions and share their experiences. Please read the community guide on our website for more information about sessions at EDD 2017.

Are you open to participating in other kinds of sessions at EDD 2017?
